

KEISHER KATERERE

Web Developer

8514 Westlea ,Harare | +263 78 991 7878 | Katererekeisher4@gmail.com

CAREER SUMMARY:

Passionate and detail-oriented Web Developer with hands-on experience building responsive, user-friendly web applications and digital interfaces. Equipped with a strong full-stack skill set and a keen eye for UI/UX design, I thrive on translating complex ideas into clean, functional web solutions that meet real business needs. Committed to writing quality code, continuous learning, and delivering exceptional digital experiences.

WORK EXPERIENCE:

Bata footwear ,bank street branch

Web Developer | April 2025

Developed and maintained the branch's web presence, implementing UI improvements and ensuring a smooth, responsive user experience across devices. Collaborated with manager to translate business needs into functional web solutions.

Community Business Association(Internship)

Web Developer | 01 February – 30 March 2025

UI/UX Developer at COBA Community Business Association, creating responsive digital interfaces and professional marketing materials. Designed impactful fliers, posters, and graphics that effectively communicated the organization's brand and enhanced visual communication strategies.

EDUCATION:

Uncommon.org

Web Developer | 6 January, 2025 – 15 December, 2025

Graduate of Uncommon's Web Developer and Software Engineering program, where I acquired advanced skills in web development technologies, including JavaScript, Node.js, HTML, and React. Trained in creating responsive, user-centric web applications with a strong foundation in modern software engineering principles.
